

Instructions for use

Thank you for downloading these assets.

Please use the images which are most relevant for your site.

- > 01-We-use-studyclix-mascot
- > 02-We-use-studyclix-text
- > 03-Clix-icons
- > 04-Mini-icons-vector-svg

Preferred image:

01- We use studyclix with mascot.

Available on white or with a background.

Place as you see fit alongside other similar content blocks or in your site footer.

02- We use studyclix text

To use if a text-based alternative is desired or if the format fits better. Provided in two formats and in black, white and colour variants.

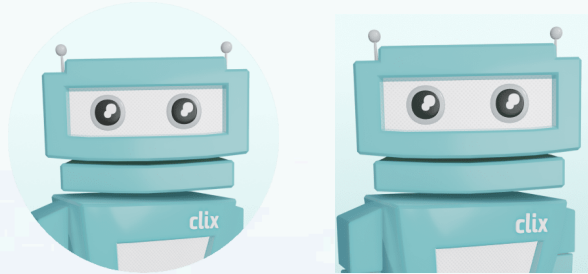

We use
studyclix

We use **studyclix**

Place as you see fit alongside other similar content blocks or in your site footer.

03- Clix icons

Provided in a round or square format.

Example use case:

04- Mini icons in SVG format

This format should be reserved for if the link is implemented as a vector icon in a smaller format only.

Example use case:
